by the legislation of the country of that institution, and who have not completed it.

3 - For students who hold non-Portuguese courses legally equivalent to Portuguese secondary education, the condition established by the preceding paragraphs may be fulfilled through the application of article 20-A of Decree-Law No. 296-A / 98, of September 25, in its updated form.

4 - For students who have enrolled in higher education through specially adapted tests to students over 23 years of age, the condition of admission laid down in paragraph 1 (b) and (c) may be replaced by the exams established for the course of application, for the 2019/2020 academic year, within the scope of the Special Access Competition.

5 - For international students, the condition established by paragraph 1 (b) and (c) of this article may be replaced by the exams established for the course of application, for the 2019/2020 academic year, within the scope of the Special Access Competition.

6 - The exams referred to in paragraph 1 (b) and 3 may have been taken in any school year.

7 - The change to an institution / course pair for which, according to the general access regime, specific prerequisites or vocational skills are required, is conditioned to their satisfaction.

Prerequisite: Group A - Interpersonal communication.

Documentation required: Medical statement, in the form of a questionnaire, pursuant to the regulation published as Annex III of Deliberation No. 146-A / 2016, proving that the applicant meets the prerequisite required at the time of enrollment and registration, without which enrolment and registration is not possible.

5. Selection criteria:

a) Average of classifications of the national access competition exams set for access to the desired degree/institution, for the year 2019/2020, under the general access regime or the average of classifications of the exams used in the cases mentioned under 3, 4 and 5 of point 4 of this notice, (5/10 Weighting);

b) Motivation for the new academic course, considering the vocational aptitude shown by the consonance between the training goals and the goals of the degree to which the applicant aspires to. The motivation letter is the deciding factor in the cases when two or more applicants are competing for the last place available, (1/10 Weighting);

c) Course of origin and ECTS (4/10 Weighting):
